MANY SLOW SUNDAYS

Just got back from the photoshoot. In a hectic year '25, it was more challenging than before to get this summer collection around. What started for us end of '24 – by celebrating our 25th anniversary with all the boys in beautiful Australia – feels like a never ending journey.

In a world which goes crazier every day, and a climate that tries to tell us importance, it feels double to go to all those places and celebrate love. Though, there's comfort in this paradox, as love is so needed!

We had ups, by 2 weddings we'll never forget. And downs, by letting go of our so beloved Sabi. By sharing these moments, it makes it fun or bearable.

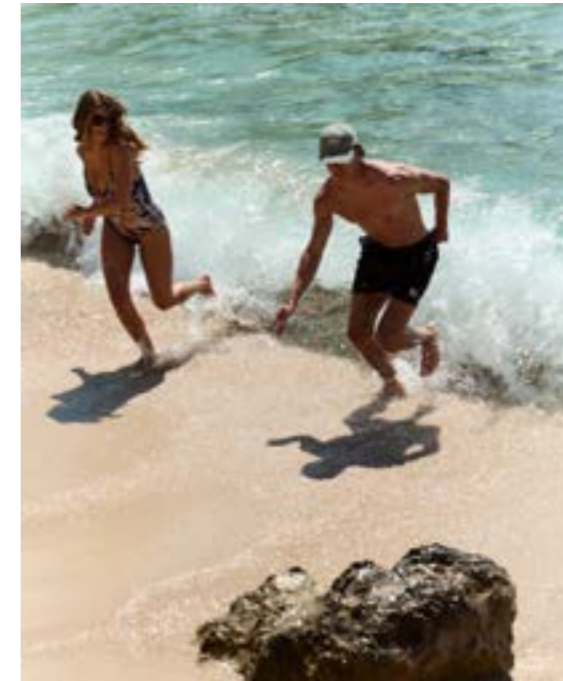

Coming with our 8th swimwear & accessoires collection, and realising that BARTS is still known for our winter, I'm excited!

It took more adjustments, redefining and discussion than ever. Sometimes we had difficulty to keep believing in it. But as "diamonds arise only under high pressure", I realise that this pressure of the last month also made this collection become a treasure. Luckily, we can always learn. So we did for this collection. Year after year, we rejudge, refine and come up with a more complete, mature collection. I turned 60 this year, which I found difficult to accept. But I still have the desire to learn, to improve and to develop myself and BARTS. And coming back from an epic photoshoot, I feel peaceful. Once again my team, and especially my beautiful wife, has made a collection and images which celebrates beauty and joy.

Let collective consciousness overrule ignorance!

I wish you all many Slow Sundays with lots of sun, love and laughter.

Best,
Bart

SLOW SUNDAY
BARTS[®]
19 CLUB 86

Spend a perfect summer Sunday at the BARTS Slow Sunday Beach Club! This is where everyday life slows down, the sound of the waves calms your soul and you can reconnect with life's simple pleasures. The BARTS Slow Sunday Beach Club collection combines elegance with a relaxed, sporty vibe. Earthy tones and lively colours blend comfort, confidence, and beauty. Soft beiges, warm terracotta, and shades of blue and white reflect the essence of a beach day. Creating a timeless and stylish look. This year's unique BARTS prints blend tranquility with natural beauty, and lively energy. The designs are inspired by foliage, earthy geometrics, minimalist florals, animal prints, and stripes. All complementing the different moments of a day at the beach club and beyond. This collection is crafted from high-quality fabrics. Perfect for both lounging and swimming, offering gentle comfort for a peaceful, slow Sunday.

DAWN

Dawn at the BARTS Slow Sunday Beach Club is a magical time. At sunrise, the sky brightens and a cool breeze carries the scent of the ocean.

The beach is peaceful with a golden glow casted on the water as the waves roll in. The ocean's scent fills the air, accompanied by the sound of the waves and soft rustling palm leaves. The perfect moment for quiet reflection before the day starts and the beach club wakes up.

CAFÉ

Coffee at the Slow Sunday Beach Club combines the warmth of your favorite brew with the refreshing sea air. The aroma of freshly ground beans mixing with the salty breeze. Whether it's a smooth cappuccino, creamy latte, or bold espresso, the coffee is served with care and invites comfort.

The sense of community is what makes coffee special here. Locals and visitors come together for a shared morning ritual, savoring their cups as the world slowly wakes up. It's not only about the coffee—it's about being present and embracing the one of a kind vibe that can only be found at the beach.

SIESTA

A siesta at the Slow Sunday Beach Club is a way of ultimate relaxation, with nature providing the ideal backdrop. The rhythm of the waves, seagulls in the distance, and rustling palm leaves create a sense of calm. Dappled light casts soft patterns on your skin while you're nestling into a beach chair or hammock.

A siesta at the beach isn't just about sleep, it's about surrendering to the rhythm of nature and reconnecting with the calmness of the sea.

DUSK

Dusk at the Slow Sunday Beach Club feels like a dream projected in soft hues. As the sun sets, the sky fills with warm colours. Oranges, pinks, and purples, blending with the deepening blue of the sea. As the air cools, the sound of the surf mixes with distant chatter, and clinking glasses. The beach is quieter now, with more people strolling on the cool sand.

As the last sunlight fades and the first stars appear, the atmosphere is serene. Time to pause, breathe in the salty air, and let the day close.

PRE-ORDER DEADLINES

Pre-order deadline is week 33, 13-08-2024 12:00 AM. Delivery starts from week 10, 03-03-2025.

ORDERING PER 1, 3 OR 6

All products at Barts are packed per piece, and as much as possible per 3 or per 6. The reason for this is simple:

1. It reduces errors and saves time with order picking.
2. Every 3 or 6 products are packed in a polybag instead of per piece: less waste, so this saves the environment.

RE-ORDER DELIVERY SCHEDULE

Under normal conditions the delivery schedule for re-orders is as follows: When you re-order before 12:00 AM your order will be delivered:

Benelux, Germany within 1-2 days
UK, France, Austria 2nd or 3rd day
Ireland 3rd or 4th day
Other EU countries within 1 week
However please note that this may vary.

Re-orders can also be placed through our re-order website: portal.barts.eu
Login details can be obtained from our Head Office.

TECH INFO**RECYCLED POLYESTER**

This product contains recycled polyester and is certified by the Global Recycled Standard (GRS) or the Recycled Claim Standard (RCS). Recycled polyester diverts waste from landfills as it is made from post-consumer PET-bottles. The production of recycled polyester uses 59% less energy and reduces CO2 emissions by 32% compared to virgin polyester.

Water resistant materials will raise the bar to higher standard of outdoor products. The shell fabric is made of a water resistant material or is finished with a water resistant treatment to keep you dry even in rainy circumstances.

Completely made by hand with care.

**RECYCLED POLYAMIDE/NYLON**

This product contains recycled polyamide and is certified by the Global Recycled Standard (GRS) or the Recycled Claim Standard (RCS). Recycled polyamide diverts waste from landfills as it is made from pre-consumer fabric waste or post-consumer materials such as industrial fishing nets. The production of recycled polyamide reduces CO2 emissions by 26% compared to virgin polyamide.

ORGANIC COTTON

This product contains organic cotton and is certified by the Global Organic Textile Standard (GOTS) or the Organic Cotton Standard (OCS). Organic cotton eliminates toxic pesticides and fertilizers and uses 91% less water compared to conventional cotton.

Natural straw from the Raffia Palms

**RECYCLED COTTON**

This product contains recycled cotton and is certified by the Global Recycled Standard (GRS) or the Recycled Claim Standard (RCS). Recycled cotton diverts waste from landfills as it is made from pre-consumer fabric waste or post-consumer materials such as worn clothes. The production of 1 kg recycled cotton saves 2120 liters of water compared to virgin cotton.

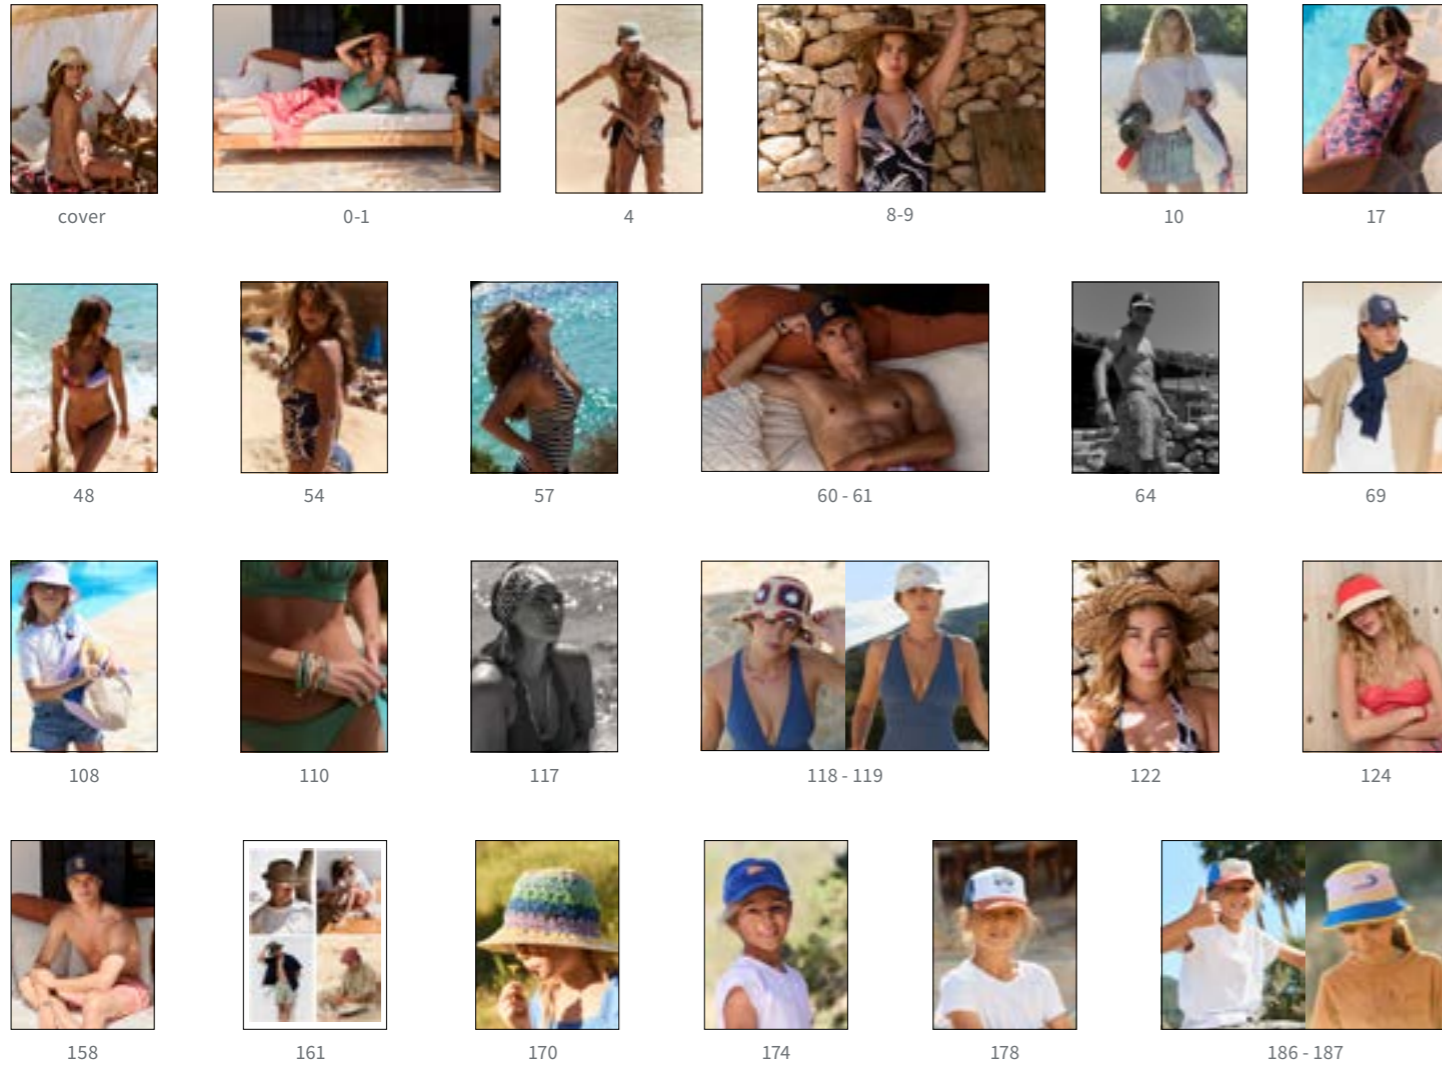

This product contains Merino Wool. Merino Wool is a natural and super soft material that does not itch due to its thin and flexible fibers. It is very breathable, has antibacterial properties and is good at managing moisture. Merino Wool will keep the wearer dry and comfortable in any circumstance.
